Tires are scheduled to arrive in April. Tire orders and reservations can be made only via email to carl@perryautolaval.com. To ensure competitors tires arrive in time, orders/reservations must be placed by March 28th for initial sets. Adequate inventory will be maintained to have tires available throughout the season.

Perry Performance & Competition will not offer tire mounting service at the events.

Any questions concerning tire availability and orders should be addressed to carl@perryautolaval.com
